Art Hunt DLC Guide – *My Bimbo Dream*

Welcome to the Art Hunt DLC walkthrough! This guide is split into two parts:

- **Part 1: Hints** – Get a light nudge in the right direction to spot each hidden image.
- **Part 2: Image Locations** – Still can't find it? This section includes screenshots and exact placements to help you.

Note: Some images are **route-specific** – if you can't find an image in your current route, try another one!

Part 1: Hints

Image 1

Usually, my desk is pretty tidy, but talking to Theo about what Sue could get up to, clearly made me forget to tidy up.

Image 2

Lucia is turning up with gifts. She's such a tease.

Image 3

If only Sue would dress this way all the time. Maybe when she is mine.

Image 4

What would other guys say if they saw her in that bikini?

Image 5

What a day at work Sue had. I hate to see her go, but I love to watch her leave. I wish she were working for me.

Image 6

Those two are hanging out again on a lunch date. I should ask her to go with me sometime.

Image 7

No wonder Lucia wanted me to come and check out Sue's outfit. She's going to get a lot of attention.

Image 8

I should pick up after myself when I draw in the garden. Sue is just so distracting doing that. She has such a fit body.

Image 9

Lucia has some nerve. I'm not going to let her get away with it.

Image 10

She looked so hot, heading out to the club. I bet guys will want to buy her drinks.

Image 11

Popcorn and wine. I wish she'd feed me the popcorn. I'd love her to pander to me.

Image 12

Scarlet's so eager to please me, I think I dropped something under the bed.

Image 13

Scarlet dropped that picture I sent her. I must have done something to distract her while she was walking.

Image 14

Max showed me the pictures from that professional photoshoot, too. I was so surprised I threw what I was working on up in the air, but I didn't see it come back down.

Image 15

You'd think it would get wet in all that steam. It's not just the paper getting wet.

Image 16

I can see that piece from where I'm peeking through the window. What are those two up to?

Image 17

Sue must have taken that piece to the salon with her. I hope she can forgive me, she looks so pissed.

Image 18

With Sue and Lucia in bikinis, it's hard not to be inspired, but I probably shouldn't draw at the dinner table.

Image 19

Just before her buttocks blocked my vision, I could have sworn I saw some of my art in Lucia's living room.

Image 20

That's not trash, that's my art. Well... never mind that. Scarlet's acting like a whore and I'm loving it.

Image 21

After all that drama with Max, I should really tidy up the kitchen... After dinner.

Image 22

A jog is a great way to clear your head. Oh look, she's sitting on my favourite bench.

Image 23

Of course, I'd leave one in Theo's room. He's my pal, I'm happy to share it with him. He doesn't even need to pay me for it.

Image 24

Is that a huge ass clock? No, it's just the TV.

Image 25

How did Lucia end up with one? I wonder if Sue will spot it, or maybe Lucia is keeping her too busy.

Image 26

I need to stop drawing in the garden and making a mess. Theo, could you grab that for... Oh, you're busy.

Image 27

What's that next to the magazines in the waiting room?

Image 28

So fun playing matchmaker. I think I'll get another round of drinks in.

Image 29

Wait, I'm whoring myself out now? Was that a tumbleweed?

Image 30

Well, I said I'd make a picture of her, that's not the one I meant. Hold on, I think this is going somewhere.
