Game Start

At the beginning of the game, you'll have the opportunity to rename **Randall** with any name you like.

Shortly after, you can also assign him a **nickname**. Randall isn't particularly fond of his nickname — and **Lucia** often uses it to playfully tease him throughout the story.

Next, you'll meet **Sue**, Randall's "landlady." You'll also have the option to **rename her** if you wish.

A little later in the scene, you'll have the option to **redefine the relationship** between **Sue** and **Randall**.

1st Choice - IMPORTANT!

This is the most significant decision in the game.

It will determine **how Randall behaves** and **impact the scenes** available to you throughout the story.

Hovering over the eye icon will give you a preview of the potential consequences of each decision.

"I want her to be a slut."

This is the **NTS path** (NTS is an abbreviation for **netorase**, a Japanese term for **sharing your partner with another, akin to Cuckolding**). Randall will be intrigued by the idea of those around him being promiscuous, which may lead to him missing out on some of the action himself. However, don't worry — there are still plenty of scenes to experience, though they are less likely to involve Randall directly.

"I want her to be my bimbo toy."

We refer to this as the **Pimp path**. Randall is more morally ambiguous. He is inclined to act dominantly but also has no qualms about sharing the women in his life -especially when it benefits him. In this route, Randall will get more action, and also, there are scenes with other male characters.

"I want her to be mine."

We call this the **Harem path**. Randall has no inclination to share the women in his life, and this route will avoid all aspects of sharing. This route features some alternative scenes that are unique to this route.

Choice: Randall touching Sue's new implants

This choice doesn't affect the story and is just for roleplaying.

Option 1: "Keep going."

Randall keeps exploring Sue's new breasts.

The scene plays out differently depending on what route you are on.

Option 2: "Stop touching."

If you'd rather be respectful, you can stop here.

Randall needs to check Potogram on his phone

The phone has been activated.

Click the phone icon in the top right corner

and select the Potogram app.

Click the phone's button to go back and resume the game.

Choice: The outside tap is broken

Depending on what route you are on, not all options will appear.

Only the **Pimp route** allows you to choose between the two options.

Option 1: "Call Theo."

Get your buddy Theo over to help fix the tap. Of course, Sue is in that tiny bikini, and she is behaving oddly today.

Sue is being flirty with Theo, and she wonders if she should give him a playful kiss or not. This has no bearing on the game and exists to avoid a moment that some people would prefer to.

On the **NTS Route**, she will automatically do it.

The **Harem route** doesn't get this scene.

Option 2: "Try to sort it for now."

Randall can fix it enough for now, so no need to invite anyone else over. Sue is behaving strangely for some reason.

Choice: Sue getting groped by Lucia in the changing room.

This choice impacts a variable that reflects how Sue is slipping into more sexual situations that we will call "**Corruption**".

As the game progresses, Sue may choose to continue events that she might have otherwise stopped, depending on her **Corruption** level. This mostly affects the **NTS and Pimp routes**, as the **Harem path** tends to keep Sue from making decisions that could be seen as a betrayal.

If you want Sue to retain more control over the situation, be mindful of how many of these options you select.

Option 1: "Get cross."

Sue snaps at Lucia, and Lucia stops.
There is **no increase** to her Corruption stat.

Option 2: "Do nothing."

Luucia gets a good feel of Sue's assets.
There is an **increase** in Sue's Corruption stat.

Choice: Dream sequence

Each route gets its own dream sequence.

The Harem and Pimp route's **don't** have any options

*The **NTS route** allows for a couple of flavours.*

Option 1: "Watch."

If you'd rather just watch what is going on, select this choice

Option 2: "Join in."

If you'd like a little more humiliation, pick this one and get involved.

Sue is doing yoga

The NTS route does not get this choice

Pimp and Harem routes can choose to leave her to it or get involved.

The scene plays out differently on those routes.

Choice: Sue has finished doing yoga

If you choose to leave her to it, Randall will check up on Theo.

Sue spots the two of them looking at her from the window and can choose to show off a bit.

Option 1: "Put on a show."

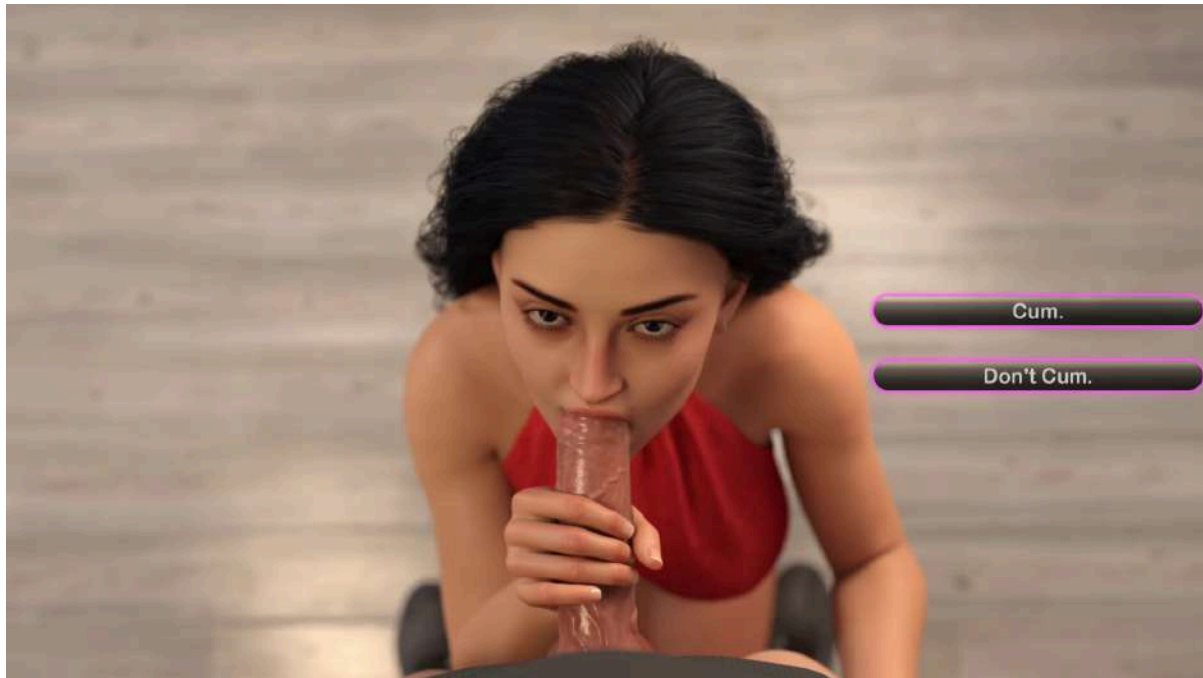

Sue dances around a bit, knowing the boys are watching.
Increases her Corruption stat,

Option 2: "Best not."

Sue thinks better of it.
There is **no increase** in her Corruption stat.

Choice: Lucia is sucking Randall's cock.

This option is only available on **Pimp or Harem routes**.

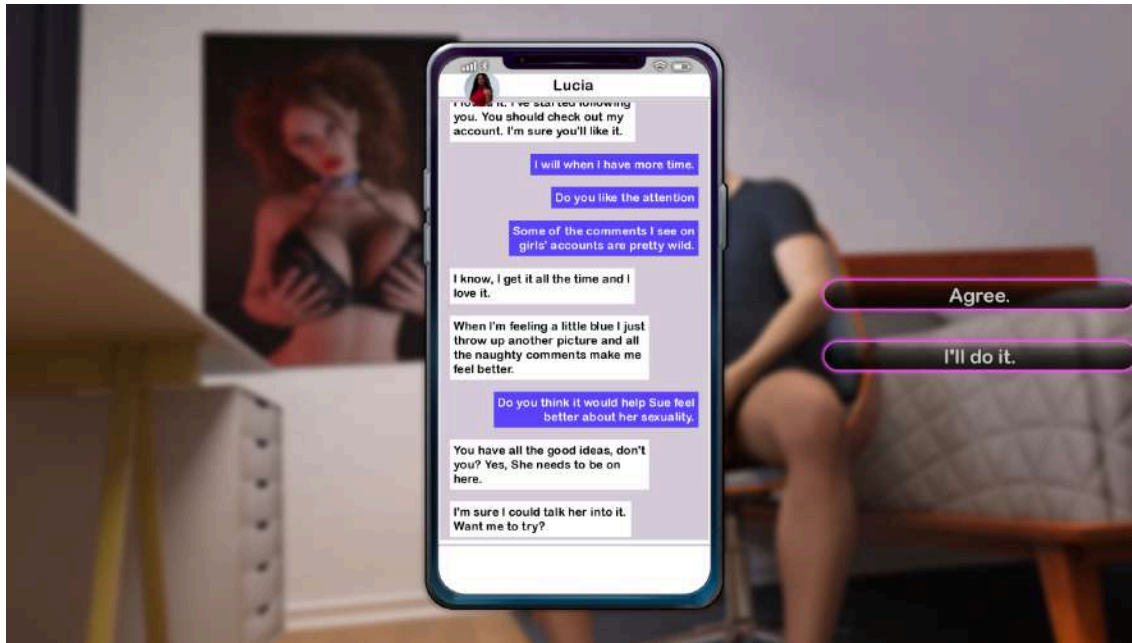

"Cum."

Let her continue and orgasm normally.

"Don't cum."

Pull a power move on her and get her to stop.

Choice: Randall talking to Lucia about getting Sue on Photogram.

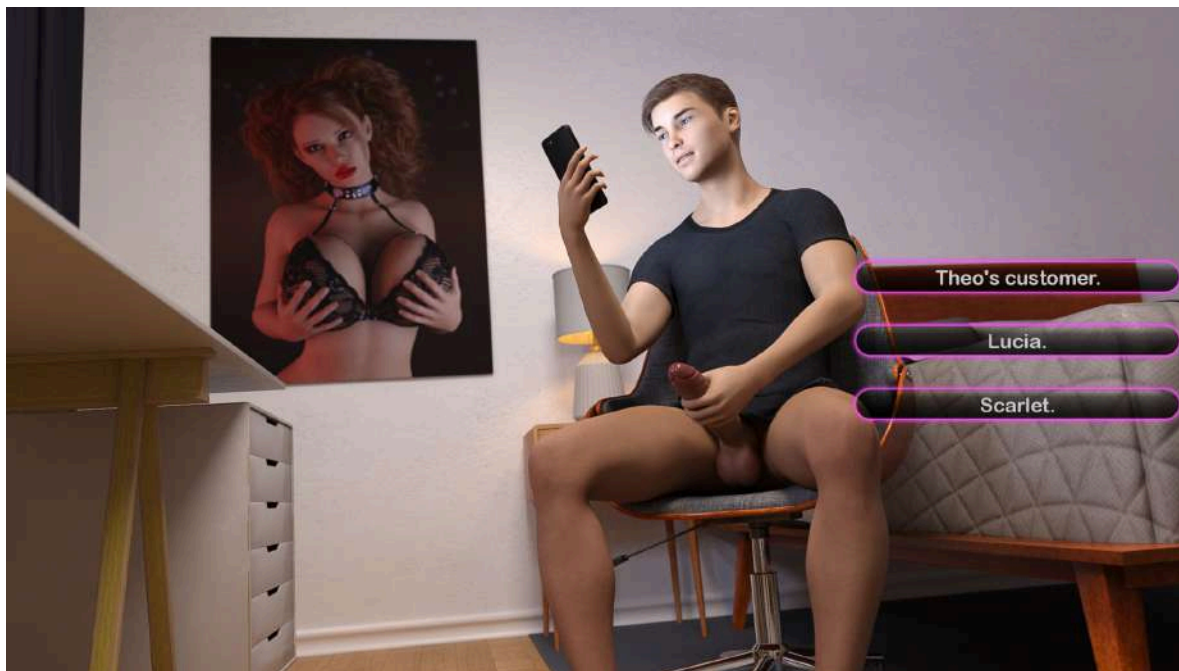

“Agree.”

Lucia will get Sue on Photogram.
Increases Sue's Corruption Stat.

“I'll do it.”

You will talk Sue into getting on Photogram.
There is **no increase** in her Corruption stat.

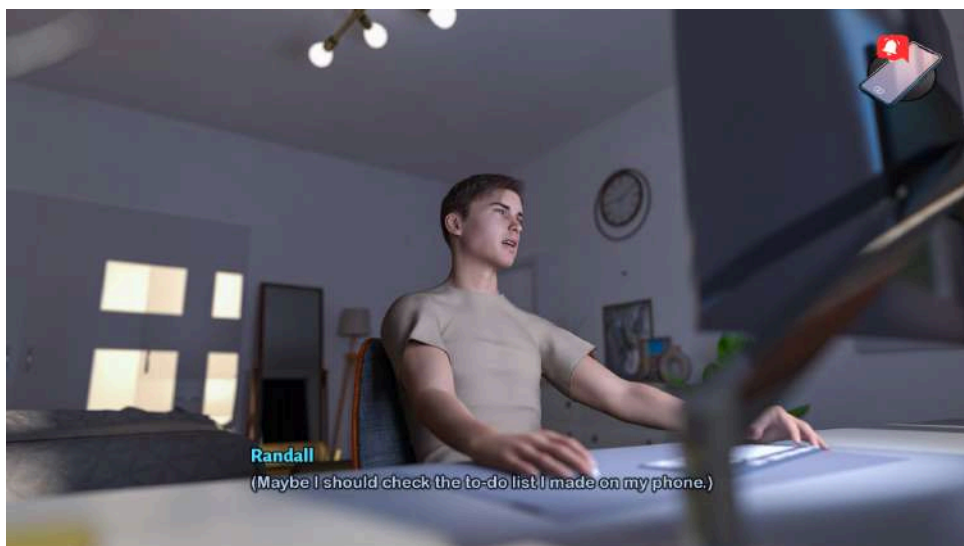

Choice: Randall is going to jack off

Simply pick who you would like Randall to fantasise about.
It has **no impact** on the story.

Choice: The to-do list

Some scenes come up on Randall's to-do list.

Follow the prompt and select the phone

and then the notes app to trigger the scenes.

Mini Game1: The quick time mini-game

At some points in the game, Randall has a chance to take a quick picture.
Success will reward you with a snapshot that is saved on the phone for your viewing pleasure.

**Just click the camera icon
before the timer runs out.**

Choice: Lucia surprises Randall

This has **no impact** on the game.
Just choose which one you'd prefer.

Choice: Lucia is taking Sue out to a nightclub.

This choice only exists on **Pimp** and **NTS** routes.
In **Harem route**, Randall decides to join them instead.

This choice is just for roleplay and does not impact the wider story.

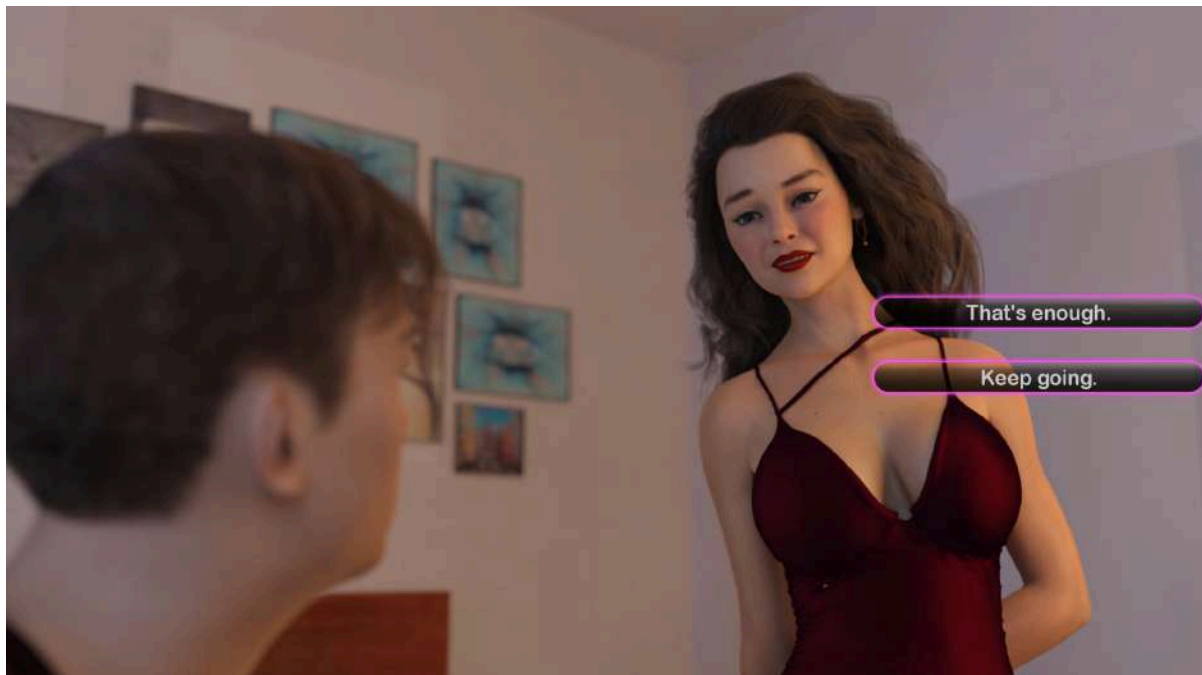

“I’m fine with it.”

Randall has no problem with Sue interacting with other men.

“I’m not keen but...”

Randall sees her interacting with men as more of a necessary evil.

*Choice: After the club - **NTS route***

“That’s enough.”

Randall doesn’t want to hear the details about what happened after the club.

“Keep going.”

Sue teases Randall with what she got up to.

Choice: After the club - ***Pimp route***

"Push her."

Randall gets a little pushy and gets a kiss for his efforts.

"Charm her."

He tries to be smooth, but it doesn't go anywhere.

Choice: At the club - *Harem route*

"Grind up behind."

Grinding against her from behind for some sexy dance floor moves.

"Face to face."

Facing each other for some tender romantic moves.

Both options have the same outcome,
but the scene varies depending on Sue's corruption level.

Choice: Sue offers to let Randall jack off to her.

This does not show up on the [NTS route](#).

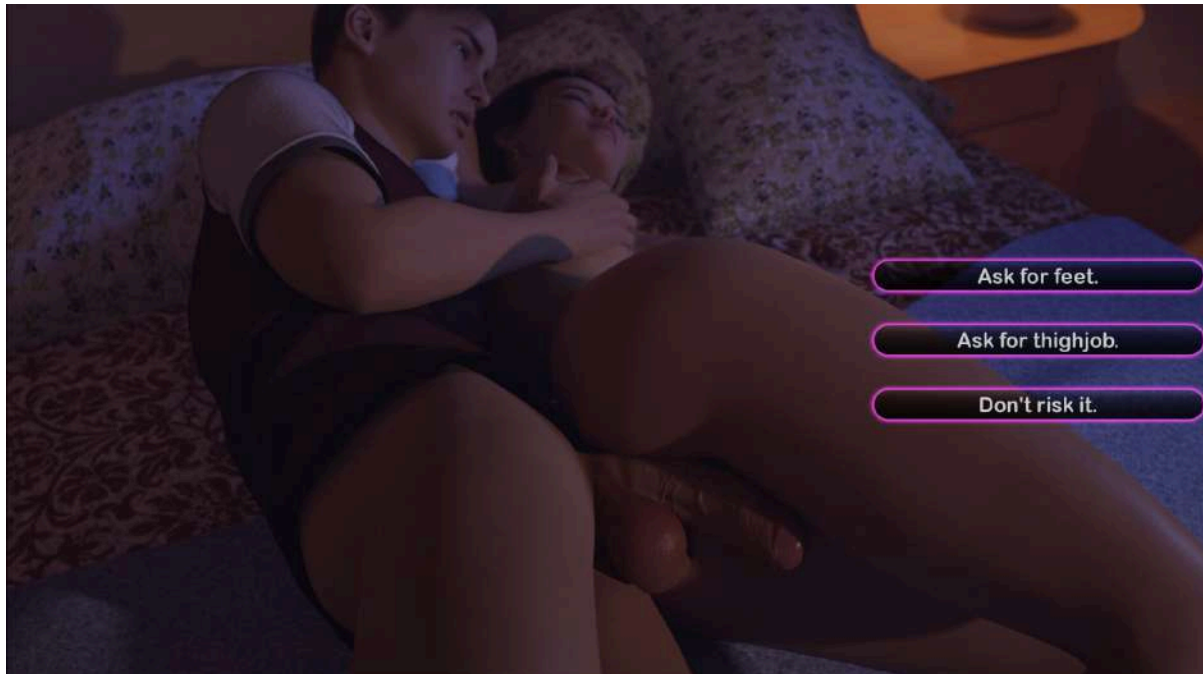

"Do it."

You know you want to.

"Tuck her in."

Be a gentleman and skip over the kinky stuff.

If you choose to do it...

“Ask for feet.”

Randall puts his penis between her feet.
Increases Corruption stat.

“Ask for thighjob.”

Randall puts it between her thighs.

“Don't risk it.”

Nothing happens... or does it?

If you select “Don’t risk it”...

“Push it.”

Get an ass job instead

“Don’t”

You leave her alone, and her Corruption stat is reduced.

Phone alerts

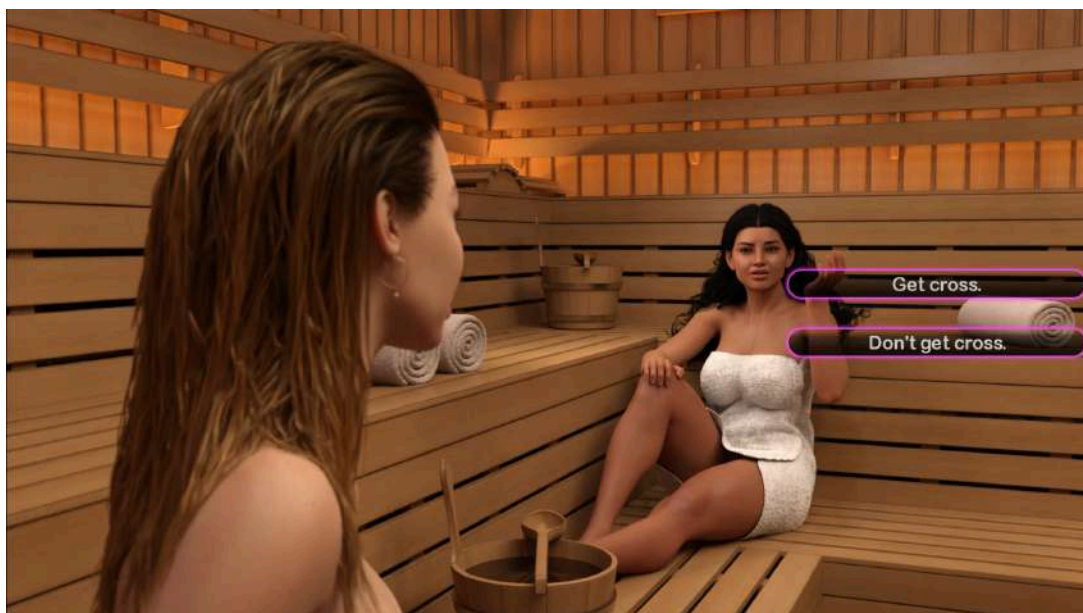

Sometimes new posts will show up on Photogram.

Choice: Scarlet and the remote vibrator

This is a roleplay choice that **doesn't show up on the Harem route**.
Feel free to tease Scarlet with the idea of finding the guy who was just chatting her up.

Choice: In the Sauna

“Get cross.”

Sue gets grumpy with how Lucia is talking.
Reduction in the Corruption stat.

“Don’t get cross.”

She lets it slide.
No Corruption stat changes.

Choice: Later in the Sauna

She may not have the option to choose if her Corruption stat is high enough.

“Say no.”

Sue insists she doesn't want anything to happen.
Reduction in Corruption stat.

“Say nothing.”

She allows what is about to happen by not resisting.

Larger increase in Corruption stat.

Choice: During the kitchen photoshoot with Max...

This option will not show on the **Harem route**.

"Do it."

Sue decides to keep going with the photoshoot.
The Corruption stat increases.

"Don't do it."

She has had her fun but wants to stop there.

Choice: A few more photos in the kitchen with Max

A continuation of the previous choice.

Does not show on the **Harem route**.

She is tempted to keep going, but thinks better of it. She has a playful interaction with Max.

Choice: At the BBQ party.

"Talk to Sue"

Randall feels like being a bit protective, so he talks to Sue. Different scenes, no lasting impact.

"Talk to Lucia."

Choice: After missing a creepshot of Lucia's ass.

Stumble your way through getting caught.
Either choice is fine, **(but she respects honesty more)**.

Choice: Sue drops sauce on herself and gets persuaded to pick someone to lick it off

Not all of these options are available on the **Harem route**.

“Max.”

Max licks it off. **No Corruption stat changes.**

“Lucia.”

Lucia licks it off. **Corruption stat increases.**

“Randall.”

Randall licks it off. No change on **Pimp or NTS route.**
Corruption stat is reduced on the Harem route.

“Theo.”

The Licks it off. **Corruption stat increases.**
It also impacts how far a later scene will go between Sue and Theo.

If Theo is selected

“Shake head.”

Randall blocks Theo from doing it.

“Shrug.”

He allows it to happen. If Sue's corruption is high enough, it increases how far things go.

“Nod.”

Randall encourages it.

Choice: Randall's first round of the drinking game.

“2 top off”

Theo is number 2.

“2 kiss 3”

Theo is number 3, and Sue has to kiss him.
Increases the chance of later scenes going further.

"1 Dance"

Lucia is number 1, and she will twerk for Randall. If you miss the quick time game, you will skip the animation.

Choice: Sue's round of the drinking game.

"Rub my shoulders."

A fairly tame option, but she will pick Randall on Harem and Theo on NTS routes.

"Kiss my feet."

On the **NTS route**, it will be Randall chosen, and he will enjoy some time with her feet.
On the **Harem route**, Lucia will do it.

“Bathroom.”

Randall checks out Megan while dropping off a box.

“Living Room.”

Choice: When Randall spots Megan's top has gone see-through

Choice: Lucia tests Randall's skills

Not all options are available depending on your route.

“Do your best.”

Make Lucia cum and she will 69 you as a reward.

“Lose on purpose.”

Curious to see what happens when you lose? No orgasm for you, but more for Lucia.
